blurb for the newsletter. Then host a “baby shower” for the supplies we need.

We will need some permanent signage to find the way to the new nursery, and clarify that this is for ages up to 5.

Rachel will take this to the property board.

We would like to have new speakers for the narthex, and we would like for someone to figure out how to set up speakers in the small room next to the new nursery (for baby-feeding) and in the chapel (for Children’s Church). We would like to have a screen to stream the service in the nursery.

Kent will figure this out.

Need a new system for signing children in and releasing them.

Jenny H. and Rachel will research some of the larger churches and how they do this.

Ashley will circulate fliers at Reading Rockets tutoring program.
